

Dear Donors,

The drive to endow the scholarship at Embry-Riddle Aeronautical University (ERAU) was one of the main goals set by the Board when the Foundation was formed with a goal to achieve it in ten years. With the incredible generosity of so many donors, like you, we are going to achieve our goal at the end of the 2022.

Tailwinds of Hope will contribute more than \$50,000 to the ERAU scholarship later this year. The scholarship will then become the Endowed Zachary Michael Capra Memorial Scholarship. We are so humbled by the generosity of so many that have chosen to donate money and time to our Foundation and our mission. We take this responsibility very serious and we work very hard to make sure every dollar that is donated to the foundation is put to good use through the scholarships that support young adults working toward their future.

What does an endowed scholarship mean. An endowed scholarship is a major gift to a college or university used to fund scholarships. It often honors a donor's loved one or the donor himself. **The feature that most distinguished endowed scholarships from other types of donations is that the capital in the endowed scholarship gift is preserved so that the gift can last indefinitely.** To everyone that supports our foundation and our mission THANK YOU SO MUCH. WE ARE SO BLESSED WITH YOUR INCREDIBLE GENEROSITY!!! Since we are able to do this in a short 3 years we are discussing ways of adding additional scholarships in the community.

Spring is busy as we begin to take applications for the three high school seniors. We will be reviewing applications and conducting student interviews for these scholarships. We wish all the high school seniors luck and look forward to presenting each of the recipients with a \$2500 scholarship.

We are also deeply involved in the planning of the 4th Annual Captain Caps Golf Tournament to be held again at the Greg Mastriona Golf Course at Hyland Hills in Westminster, CO. We are off to a great start and welcome both returning and new sponsors. We have a lot of great fun planned for the day and we are excited to see everyone on August 5, 2022.
